REQUEST FOR WITHDRAWAL OF PUBLICATION OF APPLICATION

Attn: Mark Polutta
Fax No.. 571-273-7709
Commissioner for Patents
P O Box 1450
Alexandria, VA 22313-1450

SIR:

Applicants request the withdrawal of the publication of the above-identified application, which was published in error.
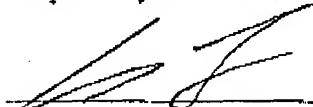

The PTO incorrectly picked up reference to an application identified in the specification as merely a "related" application and treated it as a priority document for this application, which it is not.

Applicants request that the erroneous publication be taken down from the PTO site for correctness of the record, and, e.g.. because the official correction of the error may be considered important in foreign patent offices where applications in this family are filed.

Applicants also request a written notice of the decision on this request, as such may be needed to be supplied to the record of foreign-filed family members

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

Csaba Henter, Reg. No. 50,908
